Upper Prep School

Coach Services for the 2008/2009 school year

The service is detailed in the accompanying table and will arrive and depart from outside the school. Please note that the prices quoted are per term and represent the charge for a one-way journey, either to or from school. The times given are departure times and parents should ensure that they are in good time for the arrival of the coach as it **will not** be able to wait. It is our general policy that any child not met at the coach stop in the afternoon will be taken to the After School Club at 8 Netherhall Gardens to be collected from there. However, because these are older children, parents can indicate below whether this is a requirement for their child this school year.

The telephone numbers for the coach drivers are listed below. Please ensure that these numbers are only used in emergencies so that the driver is not interrupted unnecessarily during the journey.

- Morning Coach One/ Afternoon Coach A: Driver's Mobile No: 07973 815 268
- Morning Coach Two/ Afternoon Coach B: Driver's Mobile No: 07812 355 867
- Morning Coach Three/ Afternoon Coach C: Driver's Mobile No: 07956 374 786
- Morning Coach Four/ Afternoon Coach D: Driver's Mobile No: 07976 155 461

We welcome parents' suggestions for extending the routes further. If there are other destinations that you feel would be suitable please indicate these on the form below.

SAFETY: Parents are asked not to leave their children unattended while waiting for the morning coach. The School cannot take responsibility for the children until they are on the coach. They will then be in the care of an adult and are requested not to eat, drink or, for reasons of safety, stand up during the journey.
