

Remote and Online Learning Plans

The purpose of this document is to outline how learning will continue whilst we are closed.

Introduction

1. Short term: Remote Learning (Thursday 19th March – Friday 27th March inclusive)
2. Long term: Online Learning (Monday 30th March – until further notice)

What you will need

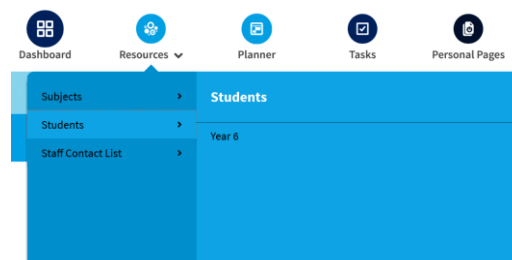

- One device per child
- Fully stocked pencil case
- One new exercise book for all their online learning.
- Printer (ideal to limit screen time – print off activities and stick into books)

A reminder as to how to log in to the various platforms we use:

- Firefly <https://nbhprep.fireflycloud.net>
 - Username: firstname.surname@nbh-student.co.uk
 - Password: Northbridge1!
- Mangahigh (Given at start of term)
- Times-Tables Rockstars (Find on year group page of Firefly)
- Atom Learning (Year 5 - Given at start of term)
- Century Learning (to come with Online Learning Protocol)
- Teams (to come with Online Learning Protocol)
- Bug Club Reading (to come with Online Learning Protocol)

Remote Learning

- Teachers have now populated Firefly with home learning tasks. Home learning tasks will provide opportunities across all curriculum areas.
- Students can submit work via Firefly. Please ensure you monitor your childrens activity online, ensuring the necessary parental restrictions are in place.
- Once logged in to Firefly, your child should go to their Year group area, through the Students section:

- From here they will be able to find the various subjects which will have 'Remote Learning' or 'School Closure Work' tabs where the work can be found.
- The lessons, at this stage, will not be live so timings can be set to what will suit you best. Some guidelines have been set out on your child's Year group firefly page. Please see the Year 3 example below:

- Information of what to do with this time, including links to different platforms and websites can be found in the subject page on Firefly.

Online Learning

We will move to online learning from Monday 30 March. We will be using Microsoft Teams to deliver the learning interactively to children. Our IT team are currently in the process of creating One Drive accounts for all pupils and staff will be preparing for this during the remote learning phase. **More details about how the online learning will work will be shared next week.**
