Educational Visits Policy

September 2020

***** In light of the COVID-19, this policy is under review. As per government guidance, currently no student will participate in an overnight or overseas trip. Day residential trips will broadly follow the information described below; however, COVID transmission risk mitigation will also need to be undertaken.**

1 Introduction

- 1.1 This policy defines the expectations and intentions for educational visits. It applies to situations where the school has responsibility for children and young people who are taking part in learning activities in an environment that is outside of the classroom. It supports the principle of inclusion.
- 1.2 This policy applies to all pupils, including those in the early years.

2 Policy Statement

- 2.1 All schools which are part of Cognita Schools Ltd (Cognita) in Europe are expected to follow this policy and the 'Educational Visits Handbook' document.
- 2.2 This policy and the Educational Visits Handbook formally adopts the website www.oeapng.info as its source of guidance about Educational Visits.
- 2.3 Educational visits are valued as an integral part of a Cognita education.
- 2.4 The Head of School is responsible for the purposeful and safe provision of educational visits and activities. This includes ensuring that all adults accompanying a visit have appropriate background checks, the staff team are competent and appropriate risk management has been undertaken.
- 2.5 Delegated duties are given to the Educational Visits Coordinator (EVC) to oversee the school's Educational Visits, as per the Job Description in Appendix 1 of the Educational Visits Handbook document.
- 2.6 Delegated duties are given to Visit Leaders to plan and run specific educational visits, as per the Job Description to be found at www.oeapng.info.

3 Principles

- 3.1 Cognita will provide all Headteachers, Heads of Schools, and EVCs with access to relevant EVC training and information necessary for them to carry out their duties safely.
- 3.2 Headteachers, Heads of Schools, and EVCs will ensure that their staff are trained appropriately to lead and accompany any trips.
- 3.3 As employer, Cognita will supply employees with the relevant EVC or Visit Leader training and information necessary for them to carry out their duties safely.
- 3.4 Safeguarding is everyone's responsibility. Any member of staff who wishes to report a potential safeguarding matter during or subsequent to a visit should contact the school's DSL (or Head of School, if the concern is about an adult). In cases of child protection concerns, this may also involve the member of staff directly contacting the relevant statutory agency, such as the police or social care services, particularly in the case of immediate danger or if a child is at risk of harm, in full accordance with the school's Safeguarding and Child Protection Policy.

Educational Visits Policy

- 3.5 Visit Leaders must ensure they uphold the highest safeguarding standards, including Keeping Children Safe in Education Part One and Annex A, as well as their locality child protection procedures. All staff accompanying children on school visits have a duty to provide a safe environment in which children can learn.
