North Bridge House Senior Canonbury

Admissions Policy

September 2021

1 Policy Statement

- 1.1 We welcome applications for admission from pupils of all backgrounds. This policy applies to all pupils, including those in our Early Years Foundation Stage. We admit pupils with an additional educational need and/or disability provided both parents and school conclude that we can provide appropriately for the child's specific needs.

2 Enquiries

All enquiries and applications should be made to the Admissions Officer. The Admissions Officer will ensure that you have all the information you need.

3 Visits

- 3.1 Prospective parents are encouraged to visit to see the school in action and to meet the Head. Open days take place regularly and they are an opportunity to tour the school on an informal basis. Alternatively you might like to make an appointment for a personal tour. Please contact the Admissions Officer to arrange this.

4 Registration

- 4.1 Following a visit, parents wishing to register their child should complete a Registration Form and return it with a payment for the registration fee. The registration fee covers the cost of administering the registration procedure, including the waiting lists and is non-refundable. Registration is an indication of interest and is not a guarantee of a place.
- 4.2 The school will respond by confirming that the child's name has been placed on the admission list for the relevant term and year. If the year group is fully subscribed, they will be placed on a waiting list. A place is confirmed once a formal offer has been made by the school and a deposit has been received in return.

5 Admission to Year 7

- 5.1 Entry at Year 7

At eleven years of age, there is a three form entry into North Bridge House Senior School. Applicants should have reached the age of eleven before 1 September in the year of entry. North Bridge House Senior School expects that prospective pupils should demonstrate, as far as can be determined from entrance procedures, potential to achieve at least 8-9 good GCSE passes, graded at 9-4.

The pupil should have a satisfactory behaviour record from his or her current school as well as a suitable reference (requested by NBH) from the Headteacher. Consideration will be given to the most recent school reports. If appropriate, further information may be sought through additional communication with the Headteacher or SLT at the candidate's current school.

The pupil should present themselves positively and engagingly at interview, and the ability to interact socially in a productive and respectful manner.

Internal applicants (those from North Bridge House Prep) will not be required to sit an assessment as long as they have been at NBH Prep since September of their Year 5. Pupils starting after that point will be considered to be external applicants and will follow the above criteria.

Entry at Year 12

Applicants wanting to join our Sixth Form will have completed their GCSEs or equivalent qualifications in their home country. Pupils should have achieved five subjects at Grade 6 or above, including either Maths and / or English at Grade 6. They should also have reached a minimum of Grade 6 in the subject they want to study at A level. All students wishing to join the Sixth Form should be registered by the Autumn Term prior to the proposed year of entry.

Admissions Policy 3 September 2019

The admissions procedure takes place throughout the following Spring and Summer Terms. All applicants will be required to nominate their A-level choices on their application forms so that they may be interviewed by relevant subject teachers during the assessment process. A general interview with the Head Teacher, Head of School, Head of Upper School or another member of the SLT will take place. References will also be sought from current schools. Places will be offered to those who are successful at interview and have satisfactory references from their current schools. Places will not be confirmed until the candidate receives the necessary GCSE grades listed above.

Satisfactory performance in Year 12 is a prerequisite for continuation into Year 13. Progression will be decided through discussion with the Head of Sixth Form and subject teachers.

Applications from students at North Bridge House Senior Schools in both Canonbury and Hampstead will be given priority for places into Year 12. However, they must still meet the GCSE requirements set out above.

Applications are made via the admissions team and will be processed on receipt of the registration fee.

6 Taster Days

- 6.1 We offer Taster Days as an opportunity for children to visit their proposed year group and participate in lessons and activities throughout the day.

7 Transition through Year Groups

- 7.1 It is anticipated that all pupils will transition through the school and reap the rewards of the education on offer. Should this prove not to be the case, parents will be informed of any concerns at the earliest opportunity and at the latest before the end of the Spring Term if there appears to be any reason why the pupil may be refused a place in the subsequent year groups. In rare cases it may be that a pupil's progress or behaviour means that transfer to the next stage of the school is not deemed appropriate.

8 Admission to Other Year Groups

- 8.1 There are occasionally a number of places available for entry at Years 8, 9, 10. The same assessment procedure and criteria are applicable.
- 8.2 Overseas Pupils/Pupils with English as an Additional Language We welcome pupils from a wide variety of cultural backgrounds, including overseas pupils and those with English as an additional language (EAL). Children entering the School must have an appropriate working knowledge of English and parents must be committed to supporting further English study at their cost, if necessary.
- 8.3 Overseas students may be required to undertake a language proficiency assessment before a place is offered. This includes a written assessment and may also include an interview in person or via electronic media.
- 8.4 Overseas students are required to have a guardian who is resident in the UK and who can act on behalf of the parents, if required.

9 Allocation of Places

9.1 In the event that the number of children registered for any year group exceeds the places available, the following procedure will be applied:

- Performance in entrance exam
- Results obtained in standardised tests
- School reference
- Siblings in the school (provided academic criteria are met)

10 Offer

10.1 The parents of each applicant will be informed within a week of their application whether a place is available. The school will not be obliged to state its reasons for declining a request for admission.

On offer of a place, parents will be requested to complete the attached acceptance form, and return it with a deposit of £2,000 (for further information on the Terms and Conditions of the deposit, please check our Parent Contract). In the event of a parent not disclosing the correct or accurate information, we reserve the right to withdraw the offer at any time. Once a place has been accepted, please do be aware that we require 1 full term's notice if you do not intend to take the place. Any withdrawal notices that we receive after this time may incur liability of fees in lieu.

Parents of children who accepted places will be invited in for tea with the Head Teacher as part of a small group in the Spring Term. This is a wonderful opportunity to speak to the Head Teacher and meet other parents new to the school. Pupils who are offered places will be invited to visit the school in the Summer term. We will also hold an evening for new parents to discuss the transition from junior to secondary school.

11 Waiting List

11.1 If no place is available, parents may place their child's name on the waiting list for the school. The school cannot guarantee when a place may become available.

12 Appeal

12.1 There is no appeal process for admission to the school. The decision of the Headteacher is final.

13 False Information

13.1 Where the school has made an offer of a place on the basis of a fraudulent or intentionally misleading application, which has effectively denied a place to a child with a stronger claim, the offer of a place will be withdrawn.

14 Overseas Pupils/Pupils with English as an Additional Language

14.1 We welcome pupils from a wide variety of cultural backgrounds, including overseas pupils and those with English as an additional language (EAL). Children entering the School must have an appropriate working knowledge of English and parents must be committed to supporting further English study at their cost, if necessary.

14.2 Overseas pupils are required to have a guardian who is resident in the UK and who can act on behalf of the parents, if required.

15 Equality

15.1 The school pays due regard to the Equality Act 2010 and reasonable adjustments are made for pupils with special educational needs and/or disabilities.

15.2 Subject to our entry requirements being met, we welcome pupils with special educational needs or physical disabilities. We advise parents of children with special educational needs and/or physical disabilities to discuss their child's requirements with the school before registering for a place. This will enable the school to determine whether the school can make reasonable adjustments to ensure that the child can flourish as a learner. Where necessary, parents will be asked to provide a copy of an Educational Psychologist's report or a medical report and the school may need to discuss provision with external agencies. The cost of such reports is the responsibility of the parent. Where specific provision is required, parents may be asked to pay an additional charge to meet these needs (staffing and/or resources). In some cases, the school may receive funding from the local authority to provide additional support.

16 Admissions Register

16.1 The school maintains an Admissions Register in line with regulatory requirements. See Admission, Attendance and Children Missing from Education Policy for further detail of statutory requirements.
