The children are escorted to the coach by the three North Bridge House staff (one member at the front of the line and one at the back of the line) and they hand-over the children to the coach driver and coach chaperone along with the Shuttle Bus Register.

Parent/ Carer picks up from Prep school or the child is transferred on to a coach by the chaperone for onwards travel. The chaperone passes the Shuttle Bus Register to Prep school for filing.

- 10.2 The Head of School reserves the right to prohibit a specific pupil from travelling on school sponsored transport if their behaviour does not meet the required standard.

10 Leaving the Site during the School Day

- 11.1 It is expected that all pupils will be on site for the entire day unless they have specific permission to leave. Children will not be allowed to leave the premises unless supervised by an authorised adult. Permission from the Head of School must be requested in advance, using the *Absence Request Form*, unless the child is sick.

11 Supervision Duties

- 12.1 All members of the staff are expected to take their share of break and lunchtime supervisory duties. For more information on staff duties, please see the duty rota.
- 12.2 All classes will be supervised by the relevant teacher and in certain subjects, for example PE, the teacher may be supported by a TA / Key Person.

12 Supervision during PE Lessons, including Changing Arrangements

- 14.1 PE lessons are supervised by members of the teaching staff. When older pupils are changing or showering, teachers must be mindful of both their responsibility for appropriate supervision and the need for a pupil's privacy, with due regard for the Safeguarding and Child Protection Policy. Staff will only enter the changing facilities where they believe not to do so may place a child at risk. Younger children (e.g those under aged 7 years, and those with SEND may require full supervision or support with changing, undertaken by two teachers being present.

13 Medical Support

- 14.1 There is a qualified first aider on the premises from 07.45 to 17.45 every day. They are available to administer first aid, to help if someone is ill or injured, and to deal with any accidents or emergencies. A pupil who feels unwell during the day should report to a teacher/key person.

14 Supervision in Remote Locations

- 15.1 Some potentially dangerous areas of the school are out of bounds to unsupervised pupils. These include staffrooms, maintenance, catering and caretaking areas of the school

15 Lost or Missing Children

15.1 In the instance that a child is lost or missing whilst on the school site we will follow the following procedure:

- If a teacher suspects that a child is missing from a lesson or activity, they will contact the nearest member of SLT and school office/ administrator **immediately**.
- All remaining children will be kept safe in a secure place with adequate adult supervision, including assistance from other school staff if necessary.
- A full headcount will be taken by the teacher-in-charge and matched against the register; usually the class teacher or nominated person.
- A senior member of staff and site manager will make a thorough search of the building and/or site and immediate surroundings including storage areas and toilets. A thorough check of all exits will be made, to ensure all gates/doors are locked and there is no other way a pupil could have left the site. If something is discovered, the SLT member must be immediately informed. The office staff/ administrator will review CCTV footage.
- The following lists held in the school office will be checked: attendance register, off-site records, and other school clubs.
- If the child is not found after this initial search and/or approximately 10 minutes from the initial report of them deemed missing, the school office will inform the Head of School, Executive Head and Director of Education (Cognita Head Office), including where a child is found wandering or at risk of being lost or missing. The designated safeguarding lead in school will be notified immediately and they will ensure that the parents have been informed by the responsible teacher. The Head of School, or SLT member in the absence of the Head, will decide at which point the police will be called.
- All relevant emergency contacts for children will be used to inform parent/ carer(s) accordingly. However, until such time as the child is safely returned to the care of the parent/ carer(s), the Head teacher remains responsible for the care and welfare of the child, including off-site.
- As soon as is practicable, the Serious Incident Reporting Form (SIRF) will be completed by the Executive Headteacher / Head teacher and sent to the PA of the Head of Facilities. The visit leader (off site) or responsible form/class teacher will make a contemporaneous record to provide full details of the incident. A note will also be made on the school's attendance register accordingly.
- Near misses will also be recorded and reported to the Director of Education and details fully provided in writing to the school's safeguarding governance committee (SGC). This Report must outline the steps being taken to avoid any repeat incident, communication with parents and actions to be taken following the risk assessment process to mitigate future risk. Any relevant policy and procedure must be reviewed by the school and submitted to UK compliance committee for approval, via Head of Education Compliance.
- All incidents will be reported to the Head of Facilities, Head Office, for the attention of our insurers, as appropriate. Staff must try to remember and write down a description of what the child was wearing and any distinguishing features.
- If a missing child has any special medical or learning needs, then these need to be noted to be disclosed to the police or other agencies.
- A thorough search of the premises should continue until the child is found.

15.2 In the instance that a child is thought to be lost or missing whilst off-site we will follow the following procedure:

- The visit leader must ensure the safety of the remaining pupils. At least two adults must stay with them.
- One or more adults should immediately start to search for the child.
- If the child is not found within 5 minutes, the visit leader must then contact the police by telephoning 999 (within the UK or similar equivalent number if overseas).
- The visit leader should alert the school office, or in the case of out-of-hours, the nominated school contact for the trip, that the police have been contacted. The school will make arrangements to notify the parents accordingly. The remaining procedures outlined above in sections 16.1 will then be followed.

16.3 Following the Incident

- It is in everyone's interest to resolve what has happened as quickly as possible, consistent with a fair and thorough investigation.
- The written findings of the investigation must be reported by the Headteacher to Cognita Head Office within 48 hours of the occurrence of the incident.
- Local authority children's social care should be informed of any missing child in the early years, and our usual local authority safeguarding and child protection arrangements followed.
- All relevant policies and procedures will immediately be reviewed and revisions presented formally to the Director of Education for approval within 5 working days.
- The parent/ carer(s) will be involved at all times.
- Following receipt of our investigative report, the Director of Education will report his conclusions as to the next steps to further safeguard and promote the welfare of children in the care of the school to the UK compliance committee.
- Where the parent/ carer(s) remain concerned despite reassurances informally by the school, they may choose to use the school's complaints procedure accordingly.

20 Ratios

- Following the Statutory framework for the early years foundation stage (EYFS, Sept 2021) staffing arrangements must meet the needs of all the children and ensure their safety. This policy is to reinforce the guidance of the EYFS.
- Section 3.29 of the EYFS 2021 states – Staffing arrangements must meet the needs of all children and ensure their safety. Providers must ensure that children are adequately supervised, including whilst eating, and decide how to deploy staff to ensure children's needs are met. Providers must inform parents and/or carers about staff deployment, and, when relevant and practical, aim to involve them in these decisions. Children must usually be within sight and hearing of staff and always within sight or hearing.
- **Early Years provider ratios**
- For children aged two: At least 1 member of staff to every four children 1:4
- For children aged three and over: At least 1 member of staff to eight children 1:8

Pupil Supervision and Lost & Missing Children Policy

- If a practitioner has Qualified Teacher Status, Early Years Professional Status, Early Years Teacher Status or another suitable level 6 qualification working directly with the children the ratio can be one member of staff for every 13 children. 1:13

Ratios and supervision levels will vary depending on the number of children in the school. Considerations and decisions will be made if a child requires 1:1 to meet their individual needs.

All practitioners must adhere to this ratio and supervision policy for the protection and welfare of the children in their care.
